

10-11 March 2026

PPE CONFERENCE 2026

South Africa's first ever
conference for the
Personal Protective Industry

*Protecting people and enhancing
performance through elevating
PPE Standards, Practices and
Technologies*

PPE isn't optional, it's essential!

This conference will be of benefit to the industry at large: For companies caring for the wellness and safety of their employees and wanting to keep inline with the law; For employees wanting an improved knowledge of PPE and to know and understand their rights.

Venue:

Emperors Convention Centre
Kempton Park, Johannesburg

Benefits of attending the conference

This conference will be a unique opportunity for attendees to develop their expertise and knowledge in PPE. They will gain valuable knowledge and practical skills when applying PPE in the workplace ultimately creating a more productive and safe work environment including:

- ◆ Enhanced knowledge of PPE, its uses, limitations and proper use
- ◆ Improved understanding of workplace hazards and risks
- ◆ Increased confidence in PPE, through proper application
- ◆ Networking opportunities with colleagues, industry experts, vendors and suppliers
- ◆ Access to resources for future concerns
- ◆ Improved awareness of industry trends and innovations
- ◆ Better understanding of emergency procedures and responses
- ◆ Learn about new technologies and innovations
- ◆ Training and education on correct PPE use and maintenance
- ◆ Increased knowledge of compliance and understanding the law
- ◆ Opportunities to learn from case studies
- ◆ Improved supply chain management and procurement processes
- ◆ Future innovations
- ◆ Understand the importance of using the correct PPE.
